## Meeting Notes

### Jerry's Hanger – March 12, 2008

Frequency pins for the new 2.4GHz radio frequencies are now available on the frequency board. If you have one of the new digital spread 2.4GHz radios, get a frequency pin from the board just like the 72 MHz systems. Display your AMA membership card in the same place where you take the pin from.

A letter of appreciation and recognition was received from the YMCA for STRCC's contribution to the Strong Kids program.

Steve Orcutt of C and D did get his workers to put some dirt down in the area where the road gets wet. Jerry Terhune was going to stop in at Quiz Stone and get a pricing of dirt and delivery in case we decide to get some more dirt.

The gate at the entrance will be left as is.

### Club Upcoming Events

Club Meeting – April 15, 7:00 PM  
Ramskill Field  
Rookie Races – April 20, 1:30 P.M.

Next meeting will be held at the field.

The question as to whether STRCC would recognize AMA's park flier membership at the field. It was decided that members of STRCC need to be full AMA membership.

An update to the STRCC application will be made which includes a note about meeting with an STRCC officer is required before membership will be extended.
